IN THE MATTER OF THE APPLICATION FOR MEDICAL LICENSURE OF

NOTICE OF DENIAL OF LICENSURE

****

YOU ARE HEREBY NOTIFIED, that pursuant to the provisions of section 147.4 of the Code of Iowa (1999), on April 15, 1999, the Iowa Board of Medical Examiners (the Board), denied your application for an Iowa medical license to practice medicine and surgery. The Board's decision to deny your license application is based on your failure to meet the license examination requirements of Iowa Code section 148.3(2) (1999) and 653 IAC 11.3 - 11.5. You have not successfully completed the FLEX, USMLE, or NBOE examinations. You have completed the Oklahoma Board of Osteopathic Medicine Examination. However, this state structured qualifying examination qualifies you for Iowa medical licensure only if it is approved by the Board. 653 IAC 11.3(1)(e). The Board reviewed the Oklahoma Board of Osteopathic Medicine Examination and voted not to approve this examination because it is not the equivalent of the examinations currently required in Iowa for licensure.
