

BEFORE THE IOWA BOARD OF MEDICINE

IN THE MATTER OF THE CONSENT AGREEMENT FOR

KENNETH ALAN ICZKOWSKI, M.D., APPLICANT

FILE No. 02-2013-0144

CONSENT AGREEMENT

COMES NOW the Iowa Board of Medicine (Board) and Kenneth A. Iczkowski, M.D. (Applicant) on March 8, 2013, and hereby enter into this Consent Agreement for the issuance of a permanent Iowa medical license under the following terms and conditions:

1. Applicant is hereby granted Iowa license no. 40854 to practice medicine and surgery in Iowa.

2. **Colorado Letter of Admonition:** On June 11, 2009, the Colorado Medical Board (Colorado Board) issued Applicant a letter of admonition due to concerns about his treatment of a single patient. The Colorado Board determined that Applicant failed to conform to minimal standards of acceptable medical practice when he misdiagnosed an ulcerated, inflamed colonic mucosa as cancerous; and failed to take additional quality assurance measures such as investigation of the endoscopic findings, comparison with the original resection specimen, or consultation with another pathologist.

3. **Pennsylvania Consent Agreement:** On January 26, 2010, Applicant entered into a Consent Agreement with the Pennsylvania State Board of Medicine (Pennsylvania Board). The Pennsylvania Board determined that, in December 2009, Applicant failed to report the letter of admonition issued by the Colorado Board within sixty days in violation of the laws and rules governing the practice of medicine in Pennsylvania. The Pennsylvania Board assessed Applicant a \$250 civil penalty.

4. **Florida Voluntary Relinquishment:** On April 19, 2010, Applicant voluntarily relinquished his Florida medical license. The Florida Division of Medical Quality Assurance (Florida Board) determined the Applicant failed to report the letter of admonition issued by the Colorado Board action within thirty days, and failed to update his profile with the Florida Department of Health within fifteen days, in violation of the laws and rules governing the practice of medicine in Florida. Applicant voluntarily relinquished his Florida medical license to resolve the pending disciplinary matter.

5. **West Virginia Consent Agreement:** On April 11, 2011, Applicant entered into a Consent Agreement with the West Virginia Board of Medicine (West Virginia Board). Under the terms of the Consent Agreement, Applicant was issued a West Virginia medical license and he was assessed \$3,000 fine based on the actions taken by other state medical boards.

6. **CITATION AND WARNING:** Applicant is hereby **CITED** for being disciplined by the Colorado, Pennsylvania, Florida and West Virginia Boards. Applicant is hereby **WARNED** that such conduct in the future may result in further disciplinary action, including suspension or revocation of his Iowa medical license.

7. Respondent shall submit a written statement to the Board which demonstrates that Respondent has shared a copy of this order with all medical licensing boards where Respondent holds a license, whether active or not, within thirty (30) days of the date of this order.

8. Respondent shall share a copy of this order with all hospitals and clinics where Respondent practices medicine. Respondent shall submit a written statement to the Board from each hospital and clinic where Respondent practices medicine which indicates that they have read and fully understand the terms and conditions of this order.

9. Pursuant to 653 IAC 21.6, if applicable, Respondent shall notify all physician assistant supervisees within one workday upon receiving disciplinary action from the Board or any other change in status that affects the physician's eligibility to supervise a physician assistant.

10. Respondent voluntarily submits this Order to the Board for consideration.

11. Respondent agrees that the State's counsel may present this Order to the Board for consideration.

12. By entering into this Order, Respondent voluntarily waives any rights to a contested case hearing and waives any objections to the terms of this Order.

13. Respondent shall obey all federal, state and local laws, and all rules governing the practice of medicine in Iowa.

14. Respondent understands that the Board is required by Federal law to report this Order to the National Practitioner Data Bank and Healthcare Integrity and Protection Data Bank.

15. The Order becomes a public record available for inspection and copying upon execution in accordance with the requirements of Iowa Code Chapters 17A, 22 and 272C.

16. This Order is subject to approval of the Board. If the Board fails to approve this Order it shall be of no force or effect to either party.

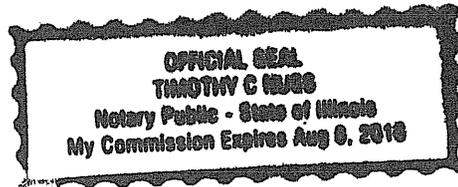

17. The Board's approval of this Order shall constitute a **Final Order** of the Board.
