Mark Bowden reported that four physician members are needed for the hearing panel to be seated on May 9 and 10, 2012. He asked physician Board members to review their schedules to see if they would be available. He said two of the physicians could be Alternate members.

The Governor's Office has not announced appointments for the successors for Tom Drew and Analisa Haberman, D.O. Drew is resigning from the Board on April 30, and Haberman's term expires April 30. Governor Branstad appointed Julie Perkins, M.D., Carroll, to the Board to succeed Siroos Shirazi, M.D., whose term expires April 30. Perkins has received Senate confirmation. Colleen Pasnik, Dubuque, was appointed to succeed public member Ambreen Mian, whose term expires April 30. Pasnik is awaiting Senate confirmation.

New member orientation will be held in late April.

The Legislature has approved two bills and they are now awaiting action by Governor Branstad, who is expected to approve the two bills. The first bill allows a physician to supervise up to five physician assistants (PAs), concurrently, versus the present limit of up to two PAs. The other bill permits PAs and advanced registered nurse practitioners to prescribe respiratory care to patients. Bowden said the PA supervision legislation would be discussed at the April 19-20, 2012, Board meeting.

The meeting adjourned at 7:52 a.m.
