**FY2019 REGULATORY PLAN - The Iowa Board of Medicine's priorities for rulemaking and legislation in FY2019 (July 1, 2018, through June 30, 2019) are as follows: Fulfill any requirements imposed new laws; complete changes resulting from administrative and judicial decisions; address public health issues; and update or rescind rules that are outdated. The list above include possible amendments in administrative rules the Board may pursue in FY2019. Some rule changes are required to complement new statutes.**
