Board's minutes now available on Web

DES MOINES, IA -- Minutes of the public sessions of the Iowa Board of Medicine's 2009 meetings and teleconferences are available on the Board's Website, www.medicalboard.iowa.gov

The minutes will be posted under the "About the Board" link on the Website's home page as soon as agency staff prepares them and the Board approves them. The Board has seven meetings scheduled in 2009 in Des Moines and six scheduled teleconferences. (Additional meetings and/or teleconferences may be scheduled as needed to take action on items that must be addressed before the next scheduled meeting or teleconference.)

Mark Bowden, executive director of the Board, said the Web posting of minutes will increase the public's access to information about the agency, which licenses and regulates physicians and acupuncturists in Iowa.
