FY 2017 REGULATORY PLAN - The Iowa Board of Medicine’s priorities for rulemaking in FY 2017 (July 1, 2016, through June 30, 2017) are as follows: Fulfill any requirements imposed new laws; complete changes resulting from administrative and judicial decisions; address public health issues; and update or rescind rules that are outdated. The list above include possible notices of intended action to amend administrative rules in FY 2017. * The dates assigned to the tentative schedule correspond with regularly scheduled Board meetings. Agendas on Board meetings are posted on at www.medicalboard.iowa.gov a week to 10 days prior to a meeting.
