These matters constitute a sufficient basis for the Board to consider a closed session under the provisions of Section 21.5(1)(a), (d), (f) and (g) of the 2007 Code of Iowa. These sections provide that a governmental body may hold a closed session only by affirmative public vote of either two-thirds of the members of the body if all present, or all of the members present if not all members are present at the meeting to review or discuss records which are required or authorized by state or federal law to be kept confidential, to discuss whether to initiate licensee disciplinary investigations or proceedings and to discuss the decision to be rendered in a contested case conducted according to the provisions of Chapter 17A.

(2) Hearings may be closed at the discretion of the licensee, according to IA Code 272C.6(1).
