Welcome

Log On

Welcome to the Online Services portion of the board's website. Some of the board's services require you to become a Registered User. To become a registered user, click [here](#).

If you are an existing Registered User, click [here](#)

IMPORTANT INFORMATION ABOUT REGISTERING: The board's online services require a user to use the State of Iowa's registration portal called Enterprise A & A (A&A). You will be directed to that website to create your account that will allow you to access the board's online services.

You may already have an A&A account if you have ever applied for financial aid, applied for a boat dock permit online, participated in the DNR Healthy Happy Outdoors program, registered to receive notifications from Iowa Sex Offender Registry, Iowa School Alerts, and Amber Alerts, or other online services offered through the state.
