(September 19, 2018)

PUBLIC DOCUMENTS: Please click on the person's name to access a link to a copy of the public documents for this physician.

Recently, the Iowa Board of Medicine took the following action:

J. Patrick Bertroche, D.O., a 51-year-old Iowa-licensed physician who formerly practiced psychiatry in Des Moines, Iowa, entered into a Stipulated Order – Voluntary Surrender with the Board on September 13, 2018. Recently, the Board learned that Dr. Bertroche suffers from a health condition which impairs his ability to practice medicine and Dr. Bertroche informed the Board that he is retiring from the practice of psychiatry and wishes to surrender his Iowa medical license. Under the terms of the September 13, 2018, Stipulated Order – Voluntary Surrender, Dr. Bertroche voluntarily surrendered his Iowa medical license due to a health condition.

When appropriate, disciplinary actions are reported to the National Practitioner Data Bank, an electronic repository administered by the U.S. Health Resources and Services Administration to track adverse license actions.
