Jordan Esbrook, Assistant Attorney General for the Board, gave the following updates:

Irland v. Board of Medicine - Mark B. Irland, M.D., was seeking judicial review of a confidential Letter of Warning issued by the Board, contending it is an illegal and unconstitutional agency action. The Court of Appeals affirmed the District Court's dismissal of Dr. Irland's Petition for Judicial Review. Dr. Irland has asked for further review from the Iowa Supreme Court, which is discretionary. The Supreme Court granted Dr. Irland's request and it will be set for argument.

Request for Declaratory Order - Domenico Calcaterra, M.D. - After the Board denied his Petition for Declaratory Order, Dr. Calcaterra was seeking judicial review. The Board filed a Motion to Dismiss. Dr. Calcaterra requested a stay of the Board's decision to deny his Petition, and for the court to order the Board to remove his disciplinary documents and Press Releases from its website. Hearings were held in District Court on May 9,

2019, and May 15, 2019. The court denied the State's Motion to Dismiss and remanded the Petition for Declaratory Order back to the Board.

LaJeunesse v. Board of Medicine - Michael LaJeunesse was convicted of attempted murder. Polk County Medical Examiner, Dr. Schmunk gave testimony at Mr. LaJeunesse's criminal trial. The State and Polk County have filed Motions to Dismiss the case, and a hearing was held on May 31, 2019. The case was dismissed.

Mr. Nebel reminded the Board that the District Court ruling allows physical therapists to administer dry needling as drafted in their rules. Mr. Nebel said that because the Board does not have the authority to define their scope of practice, or discipline physical therapists, there is not much, if anything, the Board can do regarding these complaints.
