Kyle Ulveling, M.D. informed the Board that Mark Bowden announced his retirement from the Iowa Board of Medicine, per his letter dated Friday, July 27, 2018.

Dr. Ulveling said he would like to thank Mr. Bowden for his ten years of service to the Iowa Board of Medicine, the improvements he made while in his position and mentioned that other Boards had recognized Mr. Bowden over the years for his leadership.

Dr. Ulveling went on to say there was no action required from the Board and asked if the Board members had any questions or additional comments.

KellyAnn Light-McGroary, M.D., Vice-Chair, and Ronald Kolegraff, M.D. said that they agree with Dr. Ulveling and share their appreciation for Mr. Bowden's work at the Board of Medicine.

Jordan Esbrook, Assistant Attorney General, stated that at Mr. Bowden's request, she would like to share a paper copy of his letter with those in attendance.

Dr. Ulveling told the Board that they would follow the normal agency directives for appointing an interim director and follow the normal statewide process for the hiring of a permanent director in the future.

Ms. Esbrook informed Dr. Ulveling that the media was present and wanted to ask some questions. Dr. Ulveling informed the media that questions should be directed to Polly Carver-Kimm, Communications Director at the Iowa Department of Public Health.
