**PRESS RELEASE
IOWA BOARD OF MEDICINE
(January 7, 2020)**

Recently, the Iowa Board of Medicine took the following action:

Jonathan Haas, M.D., a 52-year-old physician who formerly practiced orthopedic surgery in Minneapolis, Minnesota, and Kingston, Pennsylvania, entered into a Consent Agreement with the Iowa Board on December 24, 2019. On January 6, 2016, the Minnesota Board of Medical Practice (Minnesota Board) suspended Dr. Haas' license to practice medicine due to mental illness. On September 29, 2016, the Minnesota Board reinstated his license to practice medicine in Minnesota. On February 7, 2017, based on the Minnesota Board action, Dr. Haas voluntarily surrendered his license to practice medicine in Pennsylvania. On August 23, 2018, based on the Minnesota Board action, Dr. Haas and the Washington Medical Quality Assurance Commission (Washington Board) entered into a Stipulation to Practice Under Conditions. Under the terms of the December 24, 2019, Consent Agreement, the Iowa Board granted Dr. Haas a permanent Iowa medical license and issued him a Citation and Warning for being disciplined in Minnesota, Pennsylvania, and Washington. The Iowa Board also referred Dr. Haas to the Iowa Physician Health Program (IPHP) for mental health monitoring.

When appropriate, disciplinary actions are reported to the National Practitioner Data Bank, an electronic repository administered by the U.S. Health Resources and Services Administration to track adverse license actions.
