J. Judicial Review – Anagha Dixit, Assistant Attorney General

1. Calcaterra v. Board of Medicine-Domenico Calcaterra, M.D. The Board issued a declaratory order finding that statements of charges are public documents. Dr. Calcaterra renewed his petition for judicial review of this declaratory order. Parties briefed the matter and had oral arguments on the matter on January 17, 2020. This case received a decision on April 26, 2020. We have requested this decision be stayed and reconsidered. The Court heard oral arguments on the motions in July. The Board is awaiting a decision.

2. Robinson v. Board of Medicine-David Robinson, M.D., entered a settlement agreement with the Board in 2016. In 2019, the Board terminated the terms of his probation. Dr. Robinson requested that the Board rescind the 2016 settlement agreement, and the Board declined to do so. Dr. Robinson has now sought judicial review of this agency action in district court. The appendix in this case was filed but Dr. Robinson alleges that the entire investigatory report should be part of the record. The Board has resisted the matter and a hearing was held on the issue on January 28, 2020. The matter has been submitted and awaiting an order. The scheduling order has been delayed as we still have not received a decision from the Court.

3. Yates v. Board of Medicine-Leroy L. Yates, JR, M.D., lost a contested case on December 12, 2019. Dr. Yates filed a pro se Petition for Judicial Review, which the court ruled as timely. He has since acquired local Florida counsel. Counsel for Petitioner filed their brief in early July. The Board filed their response brief at the end of July. Dr. Yates will have an opportunity to respond to our brief in August and then the Court will hear oral arguments on the case before issuing a decision.

4. Doe v. Board of Medicine-John Doe, M.D., lost a contested case on January 16, 2020. The Petitioner had been ordered by the Board to attend a confidential comprehensive competency evaluation. A hearing was held on the matter over two days in 2019 and

Administrative Law Judge Johnathan Gallagher issued his decision on January 16, 2020. A timely petition for judicial review was filed. The matter was heard in late June and the parties now await a decision.
